Memory hook – "D-P-S-B-R-X": **D**IB salary · **P**DC (other bank) · **S**ecured/relationship · **B**undled · **R**elief · **X** closed/restricted. Then ask: *which employer category?* → that gives the segment, the minimum income and the maximum finance.

Which segment is my customer? – Decision Tree

Ask the questions in order. The first "YES" decides the segment.

1 Is the customer an existing DIB borrower whose income dropped and who can no longer meet the CBUAE DBR limit?
Up to 89 DPD. Bucket 4 & above → SAM

YES → **Finance Payment Relief**
7.7 · Annexure 8.4

NO ↓

2 Is the customer self-employed (income from own business)?
If salary is also evidenced → book under Non-TML

YES → **Self-Employed – CLOSED**
Only by RCD deviation (Annexure 8.3)

NO ↓

3 Will the PF be secured by a deposit / investment blocked at DIB (FD, TD, SIP, cash)?

YES → **Against TD / Investment**
7.2 · 50–100% of block

NO ↓

4 Is the customer Wajaha / Ayaan / Mumayyaz and the case submitted by the unit RM?
Submitted through retail → normal segment rules

YES → **Private Banking**
7.6 · 20x · Wajaha 1M / Ayaan 500K

NO ↓

5 Is the customer applying for Auto Finance or Home Finance at the same time?

YES → **Sukuk Pack**
Auto 7.3 (30% / 20% of car) · Home 7.4 (ancillary costs)

NO ↓

6 Did Finnone generate a PF limit while evaluating AF / Covered Card (DIB salary, TML A/B/C)?

YES → **Asset Cross Sell**
7.5 · income ≥ 8K · valid 30 days

NO ↓ **(normal salaried customer)**

7 Where is the salary credited?

Salary with DIB → what is the employer category?

TML A / B / C + STL
STL segment
Min 3K · Local 5M / Expat 3M

TML D or Non-TML
Salaried / Privileged
Min 5K · D: 2M / 1M · NTM: 800K / 500K or 200K

Salary in another bank → what is the employer category?

TML A / B / C / D
PDC TML
Min 5K · Local 800K / Expat 300K

Non-TML
PDC Non-TML
Min 5K · Local 200K / Expat 150K · no LC

Then choose the scheme: new loan → **Fresh** · increase existing DIB PF → **LC (Top-up)** · take over other banks' loans → **LS (Buy-out)**. Always check restricted profiles (Bedouin/Stateless, Marsoom, domestic workers, outsource staff, employer codes 2 & 8) before starting.
