My Summer

My summer vacation was amazing! In August, I went to Italy with my family. We stayed at a resort on the beach. There was a big pool and a nice garden. We ate delicious fish every night. During the day, I went kayaking in the sea. I didn't see any fish, but I saw lots of birds. I also tried horseback riding on the beach. It was so exciting! One day, we went to the mountains for a picnic. We ate sandwiches and desserts, and played games. It was my favorite day. We came home two weeks ago. I had a wonderful vacation! What did you do this summer?

Use of English

We use the **past simple** to talk about things we did in the past.

How to make the past simple:

subject + **past simple verb**

For **regular verbs** add **ed**.

verb + ed.

play + ed → played

stay + ed → stayed

For **regular verbs ending in y** change **y** to **i** then **add ed**.

try → tried

Irregular verbs are different. You have to learn them.

go → went eat → ate

Negatives

When we use negatives, we don't change the main verb. We use **didn't** (did + not) before the main verb.

I **didn't play** soccer.

LISTENING

- 4  Listen to two friends talking about the summer and answer the questions.

- Where did Omar go?
- What did Ali do?

READING

- 1 Read the email Rashid wrote to his cousin, Salim, about his trip to an amusement park. Match the words in bold to the pictures.

Hello Salim,

How are you? I hope you are having a nice summer.

Last week, my family and I went to Funland. Funland is an amusement park in the city. It has many rides and fun activities. The park opens every day from 9 a.m. to 8 p.m. You can buy food and drinks there, so you can stay for a long time. I had a great time!

First, we bought our tickets at the ticket booth. Then we went on the **bumper cars**. I hit my brother's car very hard, and we laughed a lot.

After that, we were hungry. We were close to a **food stand**. There was a lot of food to choose from. They sold cheeseburgers, fries, hummus, shawarma, and salad. The food was not expensive. My family shared one big pizza.

Next, we had dessert. I had **cotton candy**. It was pink, sweet, and very fluffy. It tasted good, but it was messy to eat.

Finally, we went on my favorite ride. It is called the Falcon. It is a big roller coaster. I enjoyed it a lot, but my parents did not like it. They wanted to sit and rest after the ride.

Have you ever been to an amusement park? Where did you go? What was your favorite ride? What food did you eat?

I can't wait to see you next month!

My favorite ride was the big wheel. It is the biggest ride in the park. It is near the entrance because everyone wants to ride it first. My brothers and sisters like the carousel. That is a ride that goes around in a circle. It has animal statues you can ride.
